

## The Bizarre Case of Dr Dragon

On my screen I have the good doctor  
He's an actor  
He's a star  
And he always knows the right answer  
Necromancer  
From some primeval tar

Don't be seen with Dr Dragon  
The number one American son  
He's a drag, drag, drag, drag, drag, drag, dragon  
He's a bad guy if you didn't know it

You'll never see his hands of vermillion  
He's vaudevillian  
With a handlebar moustache  
Asks you all about your true feelings  
It's not stealing  
Cause you're only talking trash

Don't be seen with Dr Dragon  
He'll make you want to move to Saigon  
He's a drag, drag, drag, drag, drag, drag, dragon  
He's a bad guy if you didn't know it  
Now you know it, c'mon

After all the love he's solved, ahhhh  
After hate has been dissolved, ahhhh  
It's so good he got involved, ahhhh.

Don't be seen with Dr Dragon  
Pretty soon you'll want the creep gone  
He's a drag, drag, drag, drag, drag, drag, dragon  
He's a bad guy if you didn't know it  
Now you know it, c'mon
